

New Provincial Housing Legislation

This map shows preliminary housing densities that will be allowed in Pitt Meadows. The legislation does not apply to heritage properties, properties that are larger than 4050 m² (one acre) in size, or properties that are not connected to water or sewer. Restrictions related to the Pitt Meadows Regional Airport height limitations, Agricultural Land Reserve, environmental areas, and restrictive covenants will still apply throughout the community. Agricultural properties and properties with existing multi-family housing are not pictured on this map.

- Up to 3 units per lot
- Up to 4 units per lot
- Up to 6 units per lot
- Parks & Greenspace
- Schools
- Shopping & Restaurants
