Youth Week: May 1 to 7

To celebrate Youth Week, enjoy a fun-filled week at the Pitt Meadows Youth Lounge! The City has a variety of activities happening throughout the week created especially for youth (11-18Y), including a paint night, movie night, video games, and more. For more details and information about these free, drop-in activities, visit pittmeadows.ca/youth or bcyouthweek.com, or call 604.465.2470.

Watering Regulations in Effect May 1 to October 15

Starting May 1, Stage 1 Residential lawn watering is in effect, which limits residential watering to one day per week: even-numbered addresses on Saturdays and odd-numbered addresses on Sundays. For more information, visit pittmeadows.ca/waterrestrictions.

Be Water Smart

Program lawn watering systems to water deeply but infrequently, within the regulated times. Learn more water saving tips at welovewater.ca.

Council this Month Tell Us About Your Community Aquatics Needs

We are seeking community feedback for an aquatics feasibility study to better understand the range of future indoor and outdoor aquatics facility options in Pitt Meadows and their associated cost impacts. Share your feedback at pittmeadows.ca/aquatics or complete a paper copy of the survey at City Hall or the Pitt Meadows Family Recreation Centre.

Art Studio Tour

The 23rd annual Maple Ridge and Pitt Meadows Art Studio Tour runs May 13-14 over Mother's Day weekend. As a reminder, the pop-up PMAG exhibit continues until May 4 in City Hall and showcases a sampling of artists featured in this year's Art Studio Tour. For more information, visit pittmeadows.ca/pmag.

Summer Recreation

The City is excited to offer a variety of fun programs this summer! The Summer Recreation Guide will be available online the first week of May, featuring activities from July to August, with registration beginning May 30 at 8 a.m. Learn more at pittmeadows.ca/parksandrec.
