Protect Your Parcels from Theft This Holiday Season

It's that time of year again! Online shopping, while convenient, has made it easier for thieves to snatch packages left outside. We're making more online purchases than ever before, and package thieves have gotten savvy.

Keep your packages safe with these tips:

- Track all of your deliveries.
- Bring your packages into the house right away.
- Make sure cameras and video doorbells are set to alert you of all motion.
- Use delivery lockers when possible.
- Opt for in-store pickup or use click-and-collect.
