## New RCMP Detachment is Here

The City of Pitt Meadows' new autonomous RCMP detachment is expected to open in April. Substantial construction of the 19,000 sq. ft. facility at 12486 Harris Road is now complete. Next steps include equipment installation, move-in and final preparations. The new building features modern amenities, a ground-level volunteer and flexible community space, and mass timber structural elements in the lobby. The transition to an autonomous RCMP detachment in Pitt Meadows will enhance police visibility, public safety, service levels and responsiveness in the community. ## Before You Build: Check if You Need a Permit

Planning to build a deck, add a shed or make renovations? It is the property owner's responsibility to obtain a building permit from the City for a variety of projects prior to construction. Check the rules before building and ensure it's done right the first time. Learn more at [pittmeadows.ca/permits](http://pittmeadows.ca/permits).
