Council this Month

Golden Ears Business Park Phase 4

Join Mayor and Council virtually at the Engagement & Priorities Committee (EPC) meeting on the Golden Ears Business Park (GEBP) Phase 4 design on March 30 at 7pm. This is the community's opportunity to engage with Council regarding ONNI's Development Permit application, including proposed enhancements to noise mitigation, buffering and setbacks, trails and views, and architectural features.

Ways to participate virtually:

- Tune in to watch the EPC meeting live.
- Register to participate live using Zoom.
- Join the conversation live by phone (audio only).
- Submit written comments or questions to Council.
- Visit pittmeadows.ca/councilmeetings for details.

Volunteer Week: April 18 - 24

Volunteers are the heart of our community. There are many ways to get involved with the City, including with Emergency Support Services, Pitt Meadows Recreation, the Art Gallery, and events when they can be held again. Learn more at pittmeadows.ca/volunteer.

Easter Colouring and Crafts

Just because we can't celebrate in-person, it won't stop us from having a virtual Easter FUNWeek! Visit pittmeadows.ca/easter after April 1 for an assortment of colouring sheets and fun crafts for the whole family!

New PMAG Exhibit: A Study of Nature

Pitt Meadows Art Gallery (PMAG) is proud to showcase artist Eric Hotz for the exhibit: A Study of Nature from April 10 to May 16. As an acrylic and watercolour painting instructor, Hotz explores local natural history through his art, taking inspiration from nearby lakes, streams, forests and mountains. Learn more about this new in-person and virtual exhibit at pittmeadows.ca/pmag.

Spring Parks Projects in Pitt Meadows

The Parks Department will be out in the community working on a number of projects throughout Pitt Meadows this spring. Upcoming work includes tree planting at Bonson Park, upgrades to the Fraser Way roundabout, work on Harris Road turf, Cottonwood Park/BMX Track improvements, and the ongoing parks signage replacement project. Learn more about these upcoming projects at pittmeadows.ca/parksprojects.

Go Green

Dispose of Construction Materials Safely!

There's no excuse for dumping building materials like drywall on the side of the road, which is hazardous to the environment. Learn how to properly recycle materials at pittmeadows.ca/illegal dumping.
