

SPECIAL EVENT APPLICATION ADDENDUM:

COVID-19 Terms and Conditions

The following required terms and conditions, as applicable, require user compliance and become part of the Special Event application/permit.

SECTION #1: COVID-19 Public Health Requirements - Applicable to all Special Events

It is the event organizer's responsibility to comply with all rules and regulations from the Provincial Health Officer, Fraser Health Authority, Provincial/National Sport Organizations, WorkSafeBC and any other applicable authority or law designed to reduce the potential of contracting or transmitting COVID-19. Further, it is the event organizer's responsibility to meet changing or new COVID-19 regulations as the regulations are subject to change from the date of the application and the date of the event.

Common COVID-19 measures to reduce the potential of contracting or spreading this virus include:

- Physical distancing 2 meters
- Practice respiratory etiquette (cough or sneeze into sleeve)
- Wash hands for at least 20 seconds before and after use
- No large gatherings of 50 people or more
- Stay at home if you are sick
- No sharing of equipment
- Comply with all sign requirements as posted at or around the rental spaces (if applicable)

Finally, the event organizer is responsible to collect and retain a list of participants contact information in the event that a Provincial health authority needs to perform COVID-19 contact tracing. Event organizers must provide this list to the City of Pitt Meadows within 24 hours of the event taking place.

SECTION #2: Informed Consent

I will advise persons who will participate in any activities under the Rental Agreement of all risks related to their participation and COVID-19, in substantially the form below:

By participating in your services and facilities, I will be at risk of contracting COVID-19, in spite of any precautions taken by me or by City staff. COVID-19 is a highly infectious disease with a latent period of transmissibility during which time apparently healthy people can be infectious. COVID-19 is a potentially fatal disease affecting people of all ages. COVID-19 can be significantly more dangerous in people of already compromised health, and it is my responsibility - not that of program or facility staff - to understand my current health and limitations and to take appropriate additional precautions as required. I understand that if infected, I could be at risk of transmitting the disease to other family members, including those

with high risk, pre-existing conditions, and that this might occur before my own sickness has become evident.

All participants must follow all rules, conditions and requirements, written, signed or verbal, designed to ensure the safety of participants, members of the public and City staff.

In light of the ongoing COVID-19 Pandemic, the undersigned and the City of Pitt Meadows wish to supplement the terms of the Special Event application granted to the undersigned through this Addendum.
