February 2022

STOP for Pedestrians at Crosswalks and Roundabouts

Distracted driving and failing to yield are the top contributing factors for drivers in crashes with pedestrians. Busy intersections and rainier days mean that drivers need to be extra careful. Here are some safety tips:

- Be prepared to stop when turning or entering a crosswalk or roundabout.
- Slow down and look around near schools. 30 km/h school zone speed limits are in effect every school day, 8 a.m. to 5 p.m.
- Be cautious of pedestrians who may be distracted, using their phone, wearing headphones, or have an umbrella or hood blocking their vision.
- Go slower and use caution in darkness, rain, ice, and snowy weather conditions.
- Turn on your headlights to increase visibility, regardless of the time of day.
- It's illegal and dangerous to use a mobile device while driving. Keep your eyes on the road at all times.

Please remember to slow down and look around. When drivers fail to yield, pedestrians pay the price.

Pitt Meadows Community Policing Office

104 -12027 Harris Road,
Pitt Meadows, BC, V3Y 2B5

604.465.2402 | rcmp.gc.ca

Hours of Operation

8:00am to 4:00pm
Monday to Friday

 @RMRCMP

What can the Community Policing Office do for you?

The Community Policing Office is a close and convenient place for residents to:

- Report a crime
- Obtain a criminal record check
- Find safety information
- Get advice or talk to a police officer

 @RidgeRCMP
