## Council this Month

### CP Logistics Park Phase 3 Engagement

Pitt Meadows City Council is unanimously opposed to CP's proposed Industrial Logistics Park, which poses numerous and significant health, safety and environmental risks to our community. Residents are encouraged to provide feedback during CP's third round of engagement until February 4. Attend a virtual open house at [vancouverlogisticspark.ca](http://vancouverlogisticspark.ca) and learn more at [pittmeadows.ca/cplogisticspark](http://pittmeadows.ca/cplogisticspark).

### Spring Water Main Flushing

Water main flushing will be happening throughout the community between February and April (weather dependant). During this time there may be a temporary drop in water pressure or discolouration in tap water. For questions or concerns, please call 604.465.5454 or email [info@pittmeadows.ca](mailto:info@pittmeadows.ca).

### Spring Recreation Guide

The Spring Recreation Guide will be available on February 22 for registered programs running between April – June. The City is excited for the community to take part in our safe fitness and recreation programs. Learn more at [pittmeadows.ca/parksandrec](http://pittmeadows.ca/parksandrec).
