

I See Pitt Meadows 2040: Your Ideas?

Pitt Meadows will be updating our OCP in the coming year. Before we start on that, we want to develop a clear vision for what Pitt Meadows will look like in 2040, and are seeking your ideas. Do you have 10 minutes to discuss your ideas with me?

1. What three things do you most value about living, working or playing in Pitt Meadows?

1.

2.

3.

2. How can we make Pitt Meadows an even better place to live/more inviting/more accessible (for seniors) by the year 2040?

1.

2.

3.

3. The OCP needs to address the following topics: environment and natural areas; farmland, food and agriculture; parks, recreation and public realm; arts, culture, heritage and education; transportation; energy, water and waste; community well-being; employment and economy; neighbourhoods, housing and land use. Which of these topics are most important to you? (People can talk about as many topics as they like.)

Topic 1: _____

As a senior citizen of the community, what would you like to see our _____ (topic) look like as we move towards 2040?

Topic 2: _____

As a senior citizen of the community, what would you like to see our _____ (topic) look like as we move towards 2040?

Topic 3: _____

As a senior citizen of the community, what would you like to see our _____ (topic) look like as we move towards 2040?

4. If you'd like to/if you have time to provide more input on other topics, please take an OCP topic card and fill it in for us. You can leave them on the table or in the drop box when you're done. Thank you so much for your input!
