

# OCP for ATAC

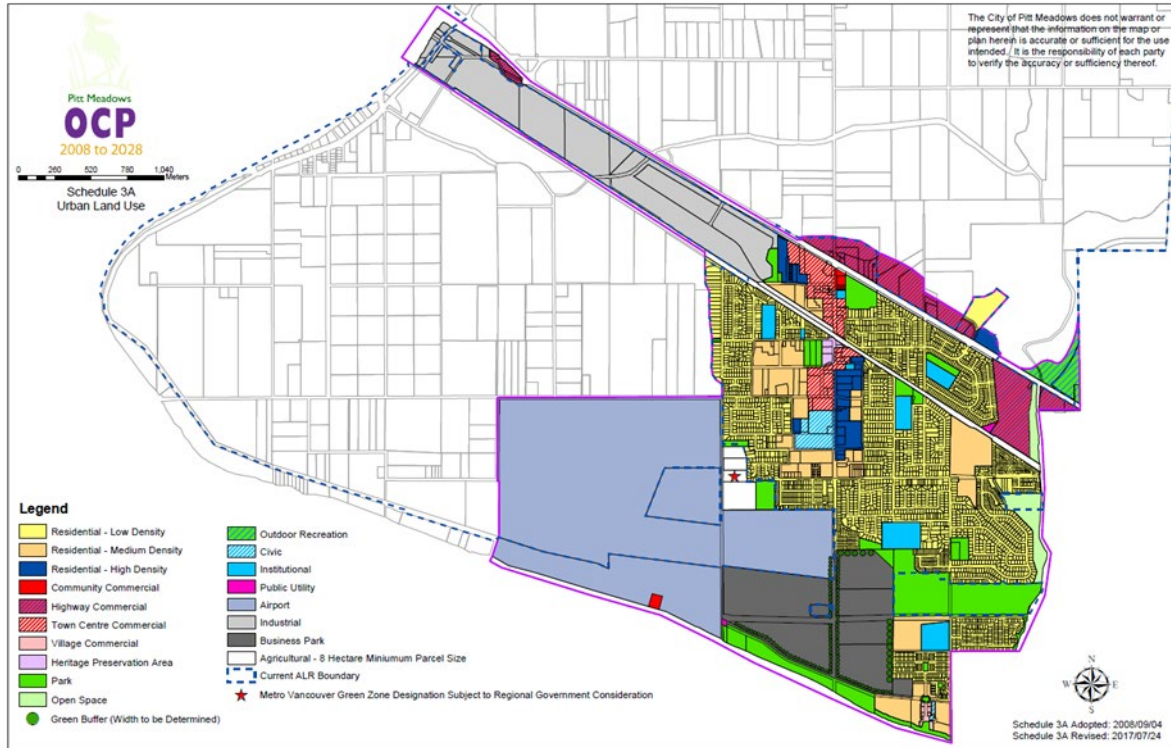

Active Transportation Advisory Committee  
June 10, 2019

# What is an OCP?

- Identifies a vision and goals of a community
- Provides policies that help achieve the vision and goals of the community

# Current Official Community Plan

# What we heard

## Future in 2040:

- Place to raise a family and grow old
- Maintain strong sense of community
- Retain natural spaces
- Manage growth, ensuring access to amenities and services
- Good transportation planning

*"Multiple generations can live safely surrounded by nature and local shops. Where there are good jobs and housing for all levels of income and where I can have input into decisions. We must have growing facilities for a growing population e.g. schools pools and sports fields."*

*"I am still able to walk, cycle, work and do business in a leisurely, friendly way. I continue to value my neighbours, service providers, merchants, artists, and fellow Meadowans as I have done for the past 30 years."*

# Working Transportation Vision:

Our community is walkable, it is easy to get around by all modes of transportation, and commercial transport moves freely in and out of the community

# Goals:

1. Mitigate the impact of regional / national transportation routes on our residential, commercial and agricultural areas.
2. Increase transit ridership
3. Reduce people's dependency on automobiles
4. Create a beautiful and accessible walking and cycling environment
5. Enable the safe, reliable and efficient movement of goods through the community and to local residents and businesses
6. Support the Pitt Meadows Regional Airport

# Recent and Ongoing Transportation Developments...

- Translink B-Line
- Harris Road Railway Underpass and new rail
- Kennedy Road Railway Overpass
- Maple Ridge-Pitt Meadows Area Transport Plan
- Kennedy-McTavish Connector
- North Lougheed Connector
- Future Lougheed Improvements
