Have Your Say Pitt Meadows Online Engagement Portal

The City wants to hear from residents on community issues, and has launched a brand-new online portal at haveyoursaypittmeadows.ca. The new portal will offer ways for residents to provide feedback and share ideas on a variety of issues that will inform decision-making by Council. The City is currently seeking input on upcoming and proposed transportation initiatives and on the community's Official Community Plan.

about the future of
transportation in Pitt Meadows.**
