

Thinking of Running for Council?

Running for local office is one of the biggest ways you can make an impact on your community. If you have questions about the responsibilities of running a campaign, the City's Chief Election Officer will meet with potential candidates or groups to address any questions. The nomination period begins September 4 and all nomination papers are to be submitted by the deadline on Friday, September 14 at 4pm sharp.

For more information about becoming a candidate for Council, the City's website provides an abundance of resources at pittmeadows.bc.ca/election.

Go Green

Zero Waste – Reducing Electronic Waste. 85% of our e-waste is sent to landfills and incinerators where they are often burned releasing harmful toxins into the air. Only 12.5% of e-waste is recycled! Your old cellphone, computer, or television can be reused. Donate it to friends, charities or community outreach programs. Or find a certified e-waste recycler who will ensure it is recycled properly and does not end up in a landfill. For a list of local recyclers and where to take items for recycling, visit pittmeadows.bc.ca/waste.
