Summer Vacation? Secure Your Home While You're Away

If you are planning on being away from home for the day or longer, you will want to take steps to protect your home and its belongings while you are away.

1. Have a friend or neighbour visit your home often to check on things. Make sure the residence looks lived in; not empty.
2. You may be excited about your big trip but it's not wise to advertise your plans on social media, such as Facebook and Twitter.
3. Invest in a timer for your lights, radio and even TV.
4. Test your smoke and alarm systems a few days before departing.
5. Cancel your newspaper and arrange for your mail to be brought inside every day, and have a neighbour place your garbage cans at the curb on your normal pickup day(s) and return them after pickup.

Have a safe and happy summer!
