Never Leave Items in Your Vehicle

February has seen a 15% increase in thefts from vehicles in the area over January 2018, so now more than ever, residents are encouraged to remove **all** valuables from their vehicles to ensure they do not become victim to a crime of opportunity.

Points of entry to vehicles have included smashed windows, pried doors, punched locks and simply opening unlocked doors. Also, approximately one in five vehicles are stolen using the owner's keys, so never leave your keys unguarded, such as in a store, restaurant, or at the gym.

Top 10 Items Stolen from Vehicles:

1. Smartphones
2. Personal electronics – tablets, laptops, iPods, GPS
3. Work tools
4. Credit cards and identification
5. Stereo equipment
6. Cash and change
7. Car parts and accessories
8. Garage door openers
9. Sunglasses
10. Keys
