FRAME PHOTOGRAPHY EXHIBITION

Feb 6 - Mar 28
In Person & Virtual Exhibition

Photo taken in 2018

Council this Month Opposition to CP Logistics Park

Pitt Meadows City Council is unanimously opposed to CP's proposed Industrial Logistics Park, which poses numerous and significant health, safety and environmental risks to our community. We encourage residents to share their feedback with CP and/or the City. Learn more about the project and stay tuned for updates at pittmeadows.ca/cplogisticspark.

Annual Water Main Flushing

Water main flushing will be happening throughout the community between February and April (weather dependent). During this time there may be a temporary drop in water pressure or discolouration in tap water. To correct problems, open the cold tap until the water clears. For questions or concerns, please call 604.465.5454 or email info@pittmeadows.ca.

Spring Rec Guide 2021

The Spring Recreation Guide will be available online on February 17, with registration beginning March 3 at 8am. The City is excited for the community to take part in our safe, low intensity fitness and recreation programs. Learn more at pittmeadows.ca/parksandrec.

PMAG: FRAME Photography Exhibition

Pitt Meadows Art Gallery is proud to be hosting FRAME, its first photography exhibit from February 6 – March 28. The exhibit will be both in-person and virtual and will showcase amateur and professional photography work across six different themes: Landscapes, Black and White, Reflections, Forgotten Objects, Street, and People. For more information, visit pittmeadows.ca/pmag.

What's On?

Residents are encouraged to find creative ways to spend Family Day together this year. The City looks forward to bringing in-person events back to Pitt Meadows when it is safe to do so.
