Council this Month

Engagement & Priorities Committee

The Engagement & Priorities Committee (EPC) provides Council with an opportunity to have a two-way dialogue with the public on priority issues. To date, there have been three EPC meetings on a variety of important topics including dike maintenance, flood management, emergency support services, commercial/industrial lands, the North Lougheed Study Area, farming, diking and watercourses. The next EPC meeting on July 9 will provide a project update in relation to the proposed underpass at Harris Road and overpass at Kennedy Road. For more information, visit pittmeadows.ca/councilmeetings.

Free Summer Entertainment in Spirit Square

Every summer, Pitt Meadows offers great outdoor cultural events!
