## Council this Month

### Council Renames their Newest Committee as the Engagement & Priorities Committee

After considering community and staff feedback, Council has decided the new name for the former Governance & Priorities Committee (GPC) will be the Engagement & Priorities Committee (EPC). "It was important for us that the committee name reflects its mandate, which is priority issues as well as Council's commitment to engagement," said Mayor Bill Dingwall. "The new name, Engagement & Priorities Committee, clearly communicates the purpose and vision of the committee and is supported by staff and the community through a public engagement process." The next EPC meeting on Farming, Diking, Watercourses and Wetlands in Pitt Meadows is scheduled for June 11, 2019.
