Discover a Love of Landscapes at the Pitt Meadows Art Gallery

The Art Gallery's latest exhibit, A Love of Landscapes, features a diverse collection of natural landscapes by local artists Rob Egan and Connie-Jean Moore. Brushstrokes come alive in an array of colours. From misty bays and green fields to moss covered rocks and fiery foliage. The show runs until March 31. Find out more at pittmeadows.ca/artgallery.

Go Green

Items like wipes, paper towels, hair and floss don't break down and end up clogging our sewers. Never flush them down the toilet. Put them in the trash where they belong. Learn more at unflushables.ca.

Council this Month

Council has adopted a new committee structure following nine months of robust review and public consultation. The new structure provides an opportunity for Council to have a direct connection with their committees on a regular basis and to hear their recommendations on priority issues. The first committee meeting is planned for March 12, 2019. To view the 2019 Council Meeting Calendar, visit pittmeadows.ca/councilmeetings.

Water Main Flushing

The City of Pitt Meadows Public Works Department will be flushing water mains throughout the municipality until April. During this time there may be a temporary drop in water pressure or a noticeable discolouration in tap water. To correct problems, open the cold tap and let it run until the water clears. The City thanks residents for their patience. For questions or concerns, please call 604.465.2434.
