Road Safety

Did you know that crashes are at an all-time high in B.C. with almost 960 crashes each day? This summer ICBC has launched the Drive Smart campaign to help try to reduce the number of crashes on B.C. roads. The campaign focuses on helping drivers improve their driving knowledge through the Drive Smart Refresher Test.

Is your driving knowledge what it should be? Take the Drive Smart Refresher Test to find out!

Has it been a while since you first took the driving knowledge test – the one you needed to pass just to get your learner's licence? Surely you'd still pass it if you took it again today... right?

Test your driving knowledge now with the Drive Smart Refresher Test!
