SUMMER VACATION PLANS? REMEMBER TO PROTECT YOUR HOME!

Whether you're away for a weekend or a week, your home should look protected, well-maintained and appear to be occupied at all times.

Here are ten tips for securing your home before leaving on vacation:

1. Avoid posting about your vacation on social media.
2. Before you leave, check that all windows and doors are locked.
3. Ask someone you trust to check on your home.
4. Leave a key with a friend or family member (never "hidden" under a mat or rock).
5. Set timers on lights inside and outside of your home.
6. Install an outdoor sensor light.
7. Lock-up valuables like cash and jewellery in a safety deposit box.
8. Make sure that your home security system is on and provide the code to a family member or friend.
9. Hold your mail and newspapers or arrange for someone to collect them.
10. Keep up on regular home and yard maintenance.

Now you can relax knowing that your home is well-protected.
