## **MARCH IS DISTRACTED DRIVING MONTH**

### **DID YOU KNOW YOU ARE FIVE TIMES MORE LIKELY TO CRASH IF USING A HAND HELD DEVICE?**

For the month of March our volunteers will be out there raising awareness and hopefully reminding you to not speed or drive distracted.

Even if you're not using your phone, you may still be distracted. Any diversion of your attention away from the safe operation of your vehicle, like chatting with passengers, eating or drinking, or adjusting radio or vehicle settings, can contribute to distracted and inattentive driving.

We all play a part in making our roads safe – when you're behind the wheel, focus on the road.
