Halloween Safety Tips

As you prepare for Halloween, please keep these safety tips in mind to ensure everyone has a spooktakular time!

- Costumes should be light-coloured or bright, properly fitted and not restrict visibility.
- Ensure any accessories such as swords, knives or guns look fake. Some people still may not be able to tell the difference.
- Adults should always accompany young children, keep to sidewalks and crosswalks and only visit well-lit houses.
- Older children should walk in groups and know what to do in case of an emergency.
- Parents should be aware of the route that their children plan to follow and agree on a curfew or check-in time.
- Stay away from animals you don't know. Pets get frightened on Halloween.
- Homeowners should clear debris from walkways and turn on outside lights if they are planning to hand out candy.
- Drivers need to slow down and be alert. Children are excited and can move in unpredictable ways.
- Residents are reminded that the sale, possession and use of fireworks in Pitt Meadows is strictly prohibited by law. Furthermore, firecrackers of all types are illegal in Canada.

We wish everyone a fun and safe Halloween!
