## Vehicle Theft

Police are seeing a spike in theft from vehicles. In some cases, garage door openers are being taken and used to break into homes. Here's what you can do to reduce the likelihood of being victimized;

1. Don't leave garage door openers and keys in your car
2. Don't leave clothing, loose change, sunglasses, wallets, and electronic devices in your car.
3. Report all suspicious activity as it's happening...Don't wait

"If you see something, say something," says Sergeant Brenda Gresiuik. "You know who belongs in your neighbourhood and who doesn't. Someone checking car door handles, looking into car windows and walking in and out of random driveways should all be reported immediately to 911."
