Celebrate Christmas in Pitt Meadows Dec 6

Celebrate the start of the holiday season at Christmas in Pitt Meadows, December 6 from 5-8pm. The Recreation Centre will be transformed

into a magical holiday village with Santa and Mrs. Claus stopping by for pictures, and goodies and entertainment for the whole family. This free event

will feature Christmas train rides, a life-sized snow globe, and the annual tree lighting in Spirit Square. New this year is the Pop-Up Art Gallery where you can shop for last minute gifts by local artists. Don't forget to bring a non-perishable food item for the Friends in Need Food Bank, and cash for hot dogs, hot chocolate, and activity donations. Learn more: pittmeadows.ca/christmas.

Council this Month

City Budget and Business Planning

The City is preparing business plans and budgets for 2020. Department business plan presentations take place on December 9 and 11. Council will deliberate on the proposed budget in January. All meetings are open to the public. Look for the business plan presentation schedules on the City's website at pittmeadows.ca/budget.

Be Prepared for Winter Weather

With winter coming, now is the time to prepare for snow and ice. Ensure that you have a shovel and salt, check-in with elderly or disabled neighbours to see if they need help and set up a plan and be aware of City bylaws on clearing sidewalks. Remember, in snowy weather, crews will focus on main routes first. Learn more at pittmeadows.ca/snow.
