Confirmation by Operations

If you require service disconnections for water, sewer or storm, please see the Engineering Department for an application for service disconnection.

Is there a fuel tank on the property? Yes No

PLEASE PROVIDE THE FOLLOWING WITH APPLICATION:

- Site plan showing all buildings, well and septic locations with distance to property lines.

Building must remain secure until building is completely torn down. This includes options of:

- Complete boarding of accessible doors and windows at end of work day
- Security onsite
- Temporary fencing (6 ft high)

Upon completion of demolition and once all debris and garbage has been removed, the building department is to be notified for an inspection. (604-465-2428)
