Let's Celebrate Canada Day in Pitt Meadows!

We're continuing the Pitt Meadows Proud vibe on July 1 by creating a 'Shop Local on Canada Day in Pitt Meadows' passport program, pop-up musical entertainment, crafts and even a family-friendly scavenger hunt! Participate for a chance to win cool local prizes. For more information visit pittmeadows.ca/canadaday.

Environmental Survey – What Matters to You?

We're developing an Environmental Inventory and Management Strategy that assesses the City's natural assets and identifies supportive management strategies. We need your help collecting information on our local ecosystem, including aspects that affect community wellbeing. Let us know what's important to you at haveyoursaypittmeadows.ca.

Go Green

Increased Bear Activity in Pitt Meadows

Help keep our community and bears safe by securing all waste bins and removing other attractants. The City has received reports of increased bear sightings and activity. Learn more: pittmeadows.ca/bearnotice.

New LIVE Question & Comment Period

Members of the public can now call into Question & Comment Period during Council Meetings to speak LIVE to Council. Each week, the phone-in details will be provided in the agenda, as well as on the City website. Questions or comments can also be emailed ahead of time to questionsandcomments@pittmeadows.ca. Learn more at pittmeadows.ca/councilmeetings.

Pitt Meadows Road and Rail Improvements Phase Two Engagement

Based on feedback collected in the first phase of engagement, draft design options have been developed to share with the public. Due to COVID-19, the next phase of public engagement, will be conducted remotely in two parts:

1. Kennedy Road Overpass Engagement - July 7 to July 28, 2020

- Watch the update to City Council on July 7, 2020 at 7 p.m.
- Attend the Engagement and Priorities Committee virtual meeting on July 28, 2020 at 7 p.m.

2. Harris Road Underpass Engagement - Fall 2020

Stay tuned for more details and information as it becomes available. Visit portvancouver.com/pittmeadowsengagement to learn more and sign up for project updates.
