Council this Month

Business planning for 2020 commences in November.

The City's Business Plan puts the Strategic Plan into action and represents staff's best recommendations for key initiatives, department budgets, and the five-year financial plan. The Business Plan also provides additional transparency and accountability to the community. To learn more, attend the upcoming meetings: Finance Workshop on November 26 and department business plan presentations on December 9 and December 11. Council will deliberate on the proposed budget in January. All meetings are open to the public. Look for the business plan presentation schedules on the City's website pittmeadows.ca.

Pitt Meadows Road and Rail Improvements Online Engagement

The Pitt Meadows Road and Rail Improvements project will separate two of the busiest rail crossings in the region; reducing wait times and improving reliability for road users. If you cannot attend the Open House on October 30, you can still have a say! Learn more and share your ideas online until November 22 at portvancouver.com/pittmeadowsengagement.
