### Council this Month

#### Ways to Participate in Council Meetings

In-person Council meetings resume on October 6. Adjustments are being made to the Council Chamber to ensure physical distancing of Council members and staff. Pre-registration and masks are required.

Remote participation is highly encouraged. Meetings can be viewed online and questions sent to [questionsandcomments@pittmeadows.ca](mailto:questionsandcomments@pittmeadows.ca). For more information, visit [pittmeadows.ca/councilmeetings](http://pittmeadows.ca/councilmeetings).

### PMAG Gallery Reopens with New Exhibition

Pitt Meadows Art Gallery is proud to reopen starting September 19 to host the exhibit ELEMENTS: Textile Group of Seven. This in-person and virtual gallery is a collaboration by seven textile artists exploring, translating and incorporating the building blocks of design into tangible textile works of art. For information about PMAG hours, safety guidelines and to view the virtual gallery, visit [pittmeadows.ca/virtualgallery](http://pittmeadows.ca/virtualgallery).

### Demolition of Old Fire Hall Complete

Demolition is now complete on the old 1983 Fire Hall and construction of the new hall will begin later this fall. The community joined Mayor and Council on a virtual tour of the old hall to reflect on its many years of service to this community. ### Go Green

Idling contributes to climate change and negatively impacts our local air quality. Help keep our air clean by turning off your engine, especially while waiting at train crossings. Learn more at [pittmeadows.ca/gogreen](http://pittmeadows.ca/gogreen).
